

# **CircuitRunners Robotics, Inc.**

## **2022-2023 Parent Code of Conduct**

As a parent of a CircuitRunner, you are an integral part of our organization. Parent involvement is key to CircuitRunners being able to operate as we need. This document has been created to help parents understand what is expected of them as a CircuitRunners Parent.

1. **You are responsible for your child.** Parents of students who do not abide by CircuitRunners Robotics Inc. and/or Cobb County policies will be responsible for retrieving students from organization sanctioned events.
2. **Volunteer at meetings, competitions, and outreach events.** Parents of active members are expected to [volunteer their time] for the club as shop parents during meetings, chaperones during competitions, or volunteers at outreach events, when possible, throughout the year. This club is student led, but we cannot fully function without support from parents.
3. **Treat students, mentors, teachers, and other parents with respect.** Parents are expected to act in a professional manner when present at club activities or otherwise representing the club and are expected to treat students, teachers, other parents, mentors, and coaches accordingly.
4. **Concerns should be voiced through the official channels.** If parents have concerns about an aspect of the club, and wish for these concerns to be made apparent, then it is best to voice these concerns through official channels (email, etc) to student leadership, coaches, and/or mentors to make sure appropriate action is taken.

I, \_\_\_\_\_ (*parent*), understand that my signature below affirms that I both understand and agree to abide by the Parent Code of Conduct.
